### Course trainers

Course teacher trainers have a huge experience in teaching to international students of all ages, from very young learners to adults. Teacher trainers have been attending international courses, conferences, and congresses to stay up to date in their fields. They will present abundance of practical ideas and encourage participants to actively join the discussion by adding their own experience as well as presenting a real life challenges.

### **Certification**

A certificate of attendance will be presented to participants to participants upon successful completion of the course.

### **About Mācību centrs plus**

Professional development and career enhancement education institution “Mācību centrs plus” was founded on May 2, 2012. Ever since our founding date, we have been providing active and successful personnel training for corporate customers (tourism, production, sales and other industries) and implementing education projects: coupon-paid training for the unemployed and job seekers, life-long learning and competitive growth efforts, based on different developed methods and handout packages. Our mission is to implement top-quality professional education programs.

### **Course fee**

490, 00 EUR

### **Funding**

Courses are eligible for **Erasmus+ Key Action 1** funding which should be enough to cover almost all expenses. We will gladly help with the KA1 application process.

### **Pre-registration**

For all additional information and pre-registration forms, please contact us at viktorija@mcplus.lv or info@mcplus.lv

### **Accommodation**

We will be happy to help you to find suitable accommodation for your stay. There is a variety of accommodation types (hotels, hostels, dormitory etc.) in Daugavpils and the nearby area within reach of local transport lines.

### **Travel**

Riga Airport is the most convenient for participants coming in by plane. Riga is the capital of Latvia. Daugavpils is at 223km far from Riga. There are two options to reach Daugavpils: by bus or by train. We will be happy to provide any information.

Also we are located near bus station and train station. Next to our education center is café (MD Catering), where the students could have a dinner or breakfast.
